

VENETIAN SUITE EXHIBITORS

Welcome to CES® 2023! This welcome letter contains contact information for on-site assistance, key show rules and regulations and other important details about exhibiting at the show.

ACCESS TO YOUR EXHIBIT SPACE FOR YOUR CLIENTS

Please remember that any clients whom you invite to visit your exhibit must have a CES badge. This includes any meetings scheduled before, during or after show hours. Venetian security guards will not allow access to CES exhibit areas to individuals who do not have a CES badge. Please make sure you convey this information to your clients or customers.

BAG SEARCH/SECURITY SCREENING

Exhibitor personnel attending CES will be subject to the same security and safety restrictions and procedures as general attendees with some allowances. All bags including personal items are subject to search. Additional details are found on [CES.tech/security](https://ces.tech/security).

BOOTH DONATION PROGRAM

Freeman is once again partnering with Opportunity Village and Goodwill Industries to turn exhibitor materials into much-needed donations that support these valuable charities.

If you anticipate having materials such as electronics, furniture, booth materials in good condition, please fill out this [form](#). More information on how to reduce your footprint can be found in the [exhibitor manual](#).

For more information or questions, contact Brenan Dwyer bdwyer@hcsustainability.com and Daniel Foster dfoster@hcsustainability.com or visit a Freeman Service Desk.

BOOTH INSTALLATION AND UNIONS

Exhibitors are permitted to set up their own displays, provided full-time, permanent company employees are used. At the request of union officials, CES Operations may request proof of a booth worker's company affiliation. Note: union jurisdictions prohibit exhibitors from using material handling equipment, such as flatbed carts or dollies/hand-trucks, though hand-carry materials are permitted. Contact CES Operations or Freeman with questions or concerns.

CES MOBILE APP

The CES 2023 Mobile App is the best way for attendees to make the most out of their CES experience, whether you are in Las Vegas or attending digitally. The app allows attendees to build their daily schedule, connect with exhibitors and attendees, schedule meetings, view livestream and video on demand keynotes and session and navigate the show.

Download the CES Mobile App by searching "CES 2023" in your app store or at [CES.tech/CESApp](https://ces.tech/CESApp).

ELECTRICAL BLUE BOXES

Venetian Engineering is the exclusive provider of electrical for your exhibit. All suites are required to use the blue box electrical outlet system for all equipment requiring electrical. These boxes prevent power outages at adjoining suites that are sharing the same circuit. In the event an exhibitor blows a fuse in a blue box, Venetian Engineering will provide a replacement fuse. The exhibitor will have to remove the electrical device(s) causing the overage.

EXHIBITOR-APPOINTED CONTRACTORS (EACs)

EAC workers must display an official EAC wristband in order to access exhibit areas. There is a different color wristband required each day. Wristbands will be available for pickup starting on Thursday, December 29 at the Venetian Expo, Level 2, Hall C entrance. The EAC Desk will open during move-in and move-out beginning at 7 AM and during show hours on show days. Wristbands may be picked up the night before work is to be done.
