As you begin to plan your display, please consider the following guidelines:

- Ensure your space has plenty of hand sanitizer that is visible and easily accessible
- Conduct frequent booth and product cleaning including regularly disinfecting surfaces and wiping down high-touch items such as demonstration equipment

REGISTRATION INFORMATION

As a CES Unveiled Las Vegas exhibitor, you must have two credentials to enter the Unveiled exhibit hall: 1. Official CES 2023 exhibitor badge, and 2. CES Unveiled Las Vegas exhibitor wristband. Unveiled exhibitors and/or set up staff will not be allowed access into the event space without these two credentials.

1. Official CES badge:

To register for an official CES 2023 badge, your primary CES registration contact must [register](#) all CES booth personnel before traveling to CES to guarantee a smooth arrival on-site. If you are unsure of your company's primary CES registration contact, please contact ExhibitorSupport@CTA.tech. Note: There is no separate registration for CES Unveiled Las Vegas.

Once you are registered, you must pick up your badge before accessing Unveiled Las Vegas at any of the CES badge pickup locations throughout the city. See the [full list](#) of available areas. At Mandalay Bay, badge pickup is available at 9 AM in the Mandalay Bay Convention Center in the Level 2 Bayside Foyer.

2. CES Unveiled Wristband

Your second required credential is a CES Unveiled wristband. Each Unveiled exhibitor receives four (4) exhibitor wristbands to the event for their booth personnel and/or set up staff. You do not have to provide names or register for these wristbands in advance.

When you arrive at the Mandalay Bay Convention Center, please proceed to customer service, exhibitor wristband counter in the Level 2 Bayside Foyer to check in and pick up your wristbands. **You will not be able to pick these up at any other registration locations in the city.**
